

At DreamTrips™, we provide you with identity protection that goes wherever you do.

ID Resolution is your passport to a stress-free life, devoid of the trouble and annoyance that comes with dealing with identity theft. This program assists you in protecting your personal information both at home and abroad, and completely manages the process of recovering your identity if it's stolen or lost. It's just another reason why it pays to be a DreamTrips Member!*

FRAUD RESOLUTION

ID Resolution resolves identity-related fraud or suspected fraud for you and your immediate family. You get a case manager that works with you personally. You also get total access to a personal fraud specialist and monitoring products where appropriate.

IDENTITY TRAVEL RESPONSE

Losing your travel documents is annoying to begin with; you don't need the extra problem of worrying about someone stealing your identity. ID Resolution provides case-file fraud management and proactive action in the event that you lose your passport, airline ticket or cash. They also serve as a communication hub for you to reach friends, family and employers, and can be your point of contact with government agencies.

CATASTROPHE DOCUMENT RESPONSE

ID Resolution helps replace sensitive documentation that gets destroyed in a catastrophic event, such as a fire, hurricane, tornado, earthquake, flood or act of terrorism.

RELOCATION OF RESIDENCES

Moving is a complex process. To complicate things, the risk of identity theft rises during

a move. ID Resolution keeps you safe by providing tip sheets, mail-forwarding assistance and an Identity Wellness Checkup after you move. They can also help replace important documents that get lost in the shuffle.

ID RESOLUTION ALSO OFFERS SERVICES TO ASSIST WITH THE FOLLOWING ISSUES:

- Surviving spouse and estate management
- Deployed military personnel
- Infant and minor identity risk mitigation
- Marriage and divorce
