Across each level of our membership, there are a wide assortment of services to make your life easier. When DreamTrips started more than 10 years ago, we had a very simple idea: Make it easier for people on any budget to have worry-free, world-class travel experiences where they get treated like a VIP. DreamTrips are the foundation of our membership and they always will be.

We start by eliminating much of the stress of travel planning. You already know the dream destinations on your bucket list — whether they be Paris, New York, Sydney or Beijing. The problem is in the details: Where to stay? What to do? Who to trust? How to get the most bang for your buck and see and do the most with the time you have? Our DreamTrips travel experts do it all for you, from vetting the hotels and resorts to planning the best excursions. Before every DreamTrip, we send you a complimentary travel guide full of valuable insights about your destination, including insider tips like what to pack and information about local customs.

A DreamTrip Isn’t a Typical Vacation.

North America, Asia, Europe & Africa’s Leading Travel Club in 2014-2018
Throughout your DreamTrip, you’ll enjoy little perks and extras to help make your DreamTrip even more exceptional—there’s a host on most DreamTrips who can assist you with things like booking extra excursions to troubleshooting if something goes wrong. You’ll also enjoy a special Welcome Reception when you arrive, unique and exciting excursions and activities and more!

A DreamTrip is unlike any travel experience you’ve ever had. We know that once you take a DreamTrip, you will never look at traveling the same way and you are very likely going to be a member for life.

A hallmark of the DreamTrips experience is that you’re not just a number ... you’re a VIP! To ensure you feel like the rock star you are, we provide the following benefits for all membership levels:

**Thousands of exclusive, pre-planned DreamTrips per year.**
Log in to your DreamTrips account (via the DreamTrips app or DreamTrips.com) to browse available DreamTrips. We take the guesswork out of planning the perfect vacation by carefully selecting accommodations and creating experiences that meet our DreamTrips standards. Find the one you like, book it and you’re ready to go. Visit our official YouTube™ channel!

@DreamTripsTelevision

**Includes your household.**
Family is important to us. As we welcome you into our family, know yours is welcome too. Your membership includes you plus one (your spouse, significant other or a guest) as well as any dependents under 18 years of age.

**A DreamTrips Host on your DreamTrip.**
Like you, our hosts are valued members of the DreamTrips family, essential to our culture and our brand. Your hosts are onsite to provide you with unprecedented levels of service throughout your trip. They serve as your liaison to the hotel or resort, can assist with finding quality excursions and activities, solve problems you might run into, and help guide you to more DreamTrips moments.

**Play, dine, or relax your way toward a DreamTrip.**
You already go out with your friends and family, so why not earn your way toward a vacation while you’re doing it?

We’ve curated a list of unique, member nominated, local restaurant, spa, and entertainment experiences in select cities and destinations. When you pay your bill, you can earn DreamTrips Points based on a percentage of that bill - typically between 30% and 50% - which will go to your DreamTrips Cloud to apply toward future DreamTrips.

**We value your loyalty.**
That’s why for every dollar you spend on your DreamTrips Membership, we give you an equal amount of DreamTrips Points to use toward DreamTrips. So just by becoming a new member, you have at least 100 DreamTrips Points.

Just look for the points icon when looking at any DreamTrip to see the total amount of points you can apply per trip. For more details see page 32.
Additional BENEFITS:

Booking Engine
Being a DreamTrips Member is like having a friend in the travel business. As a DreamTrips Member, you can book flights, hotels, rental cars, cruises, vacation rentals and more. Our booking engine is designed to save you time while giving you competitive rates.

RateShrinker
Taking the guesswork out of booking travel. Airline and hotel prices can fluctuate dramatically. Knowing when to book and get the best fare can be a mystery. We help eliminate that concern. Book your airfare or hotel with total confidence because once you do, our proprietary technology proactively monitors your fare. If the fare changes after you’ve booked it, RateShrinker automatically rebooks you at the lower rate and refunds you the difference.² Super cool.

Flight Accident Insurance
Fly with extra peace of mind. When you book airfare through our Booking Engine, you automatically receive up to $200,000 of flight accident insurance at no extra cost to you.⁴

In addition to your DreamTrips benefits (available on virtually every trip), each Dream Trip is designed with different perks to enhance and complement your experience. Each perk is often based on the location and theme of your Dream Trip.

Certain perks, like airport transfers, make sense on some trips, but not the ones many people drive to. For another example, your DreamTrip to China might include a personal tour guide, whereas your trip to New York may include Broadway show tickets for two. So we always consider what the best perks are to benefit the majority of our members.

**THESE SITUATIONAL PERKS CAN INCLUDE:**

(Varies by trip.)

- **Excursions**
- **Show or event tickets**
- **Hotel credit to be used at onsite restaurants, spas and other activities.**

DreamTrips launched over 10 years ago with the idea of making world-class vacations available to anyone. Our goal was to offer one amazing experience per month, and we even crafted the tag line, “Take the trip of a lifetime, monthly.” When we finished our first year with a total of 15 DreamTrips, we were elated. Today, we’re offering, on average, more than 30 trips a day for our members!

DreamTrips Members all over the world are packing more dream vacations into a year than many people enjoy in a lifetime. Moreover, we’ve expanded member benefits to dining, shopping, concierge service and more, making DreamTrips one of the world’s premier travel memberships.

We want you to get the most value out of your membership and create your own DreamTrips moments. DreamTrips Points are designed to help you vacation sooner. You’ll be awarded points immediately upon joining and will continue to accrue points as you pay your monthly membership fees. Accumulating and redeeming your points is simple.

**How do my DreamTrips Points work?**

$1 = 1 point that you can apply toward DreamTrips.

**How many points can I use per DreamTrip?**

Each DreamTrip will specify how many points you can apply for that trip. To be clear, it’s not per-person; it’s the total amount you can redeem toward the total cost of booking the DreamTrip. Just look for this icon:

For example: If a DreamTrip is $500 per person and the icon says you can apply 200 points, then out of pocket you’d only pay $800 if you are booking the DreamTrip for yourself and one adult guest.

Remember, Platinum Members can apply 50% more DreamTrips Points per trip. When you’re logged in, the icon will display the correct number of points based on your membership level.

---

**Waive Your Membership Fees**

For sharing the DreamTrips Membership with people you care about, once you have referred four active customers at any level of membership, the company will thank you by waiving your monthly fees as long as your customers remain active. If you’re a Platinum Member, simply refer active members totaling four times your monthly fees, and yours are waived too!

But don’t worry! Even though your fees are waived, you will still be credited on your anniversary date for the points you would have accrued if you had been paying fees.
