OVERVIEW COMPENSATION PLAN

U.S.A. & Guam

WorldVentures Marketing, LLC

Revised April 14, 2018
Effective April 14, 2018 – July 27, 2018
WorldVentures has designed our Compensation Plan to reward Independent Sales Representatives for (1) successfully selling WorldVentures travel products and (2) successfully building sales organizations by recruiting, training, and motivating others to do the same.

**ORGANIZATIONAL STRUCTURE**

**Lineage Organization**
The Lineage Organization is very simple: Who sponsored whom? If a Representative personally sponsored seven Representatives, then he/she has seven different lines (sometimes called “legs”) of Lineage. Each is independent from the other, and each will probably have a different number of Active Representatives and Customers over time. A Representative’s Lineage Organization only includes Representatives and Customers added through direct line of sponsorship and is independent of the Binary Organization. (See Fig. 1)

**Binary Organization**
The Binary Organization is built on twos. Once the Representative has access to both sides of their binary organization, each Representative will have a left side and a right side and may be related to only one Representative on each side. It looks like the example in Fig. 2. Only if a Representative has achieved four personal Customer sales will they be able to make downline Representative placements on both sides of their binary organization. The Representative’s second leg will open for Representative placement once the Representative completes two consecutive pay weeks maintaining four Active personal Customer sales.

A Representative may have Representatives in his/her Binary Tree who are not in his/her Lineage because of “Spillover.” These Representatives are a part of his/her Binary Organization, but they are not a part of his/her Lineage Organization.

**PRODUCT PRICING & SALES CREDITS**

Please refer to the Products and Commissions Chart in your back office for details of the Products, pricing, sales credits, commissions, and volume for each category of commission and bonus.

*Sales Credits may be adjusted based on actual purchase price paid by Customer.

**COMMISSIONS & BONUSES** - See Detailed Compensation Plan for full rules and limitations.

**Direct Commission**
When a Representative enrolls eligible new Product Customers, he/she earns a Direct Commission

**Sponsor Three Customers: Personal Sales Bonus**
When a Representative personally sponsors three (3) new Customers within a rolling 28 day period or less, he/she will earn a Personal Sales Bonus in an amount dependent upon the membership level of the new Customers. If a Representative achieves additional sets of three (3) new Customers during the same rolling 28 day period, he/she will earn additional Personal Sales Bonuses at a higher rate. New Customers count toward a Personal Sales Bonus for 28 days.

**Lifestyle Bonus Program**
There are three tiers in the Lifestyle Bonus Program. A Representative who maintains four (4) Active Customers and generates at least $1600 in sales volume in his/her lineage organization in a month will qualify to receive a Tier 1 Lifestyle Bonus of $200 per month. If you maintain five (5) Active Customers and generate at least $3200 in sales volume in your lineage organization in a month you will qualify to receive a Tier 2 Lifestyle Bonus of $300 per month. If you go further and maintain six (6) Active Customers and generate at least $5400 in sales in your lineage organization in a month, you will qualify for a bonus of 8% of your Lineage Sales Volume—up to $900 per month.

Note: See Detailed Compensation Plan for full Lifestyle Bonus Program details, including lineage organization caps. DreamTrips Market Place Products included in lineage sales volume totals for purposes of the Lifestyle Bonus.

All new Representatives who achieve the Tier 2 or Tier 3 Lifestyle Bonus within their first eight (8) full weekly pay periods from the time of enrollment will earn double the respective Tier 2 or Tier 3 Lifestyle Bonus within that eight (8) week period,
Weekly Bonuses
Only after a Representative has achieved four personal Customer sales, they will be able to make downline Representative placements on both sides of their Binary Organization. Until that time, a Representative will be ineligible for the binary Weekly Team Bonuses. WorldVentures Representatives with access to both legs of their Binary Organization may earn Weekly Bonuses based on the initial product sales generated by their entire Binary Organization. The Representative accumulates sales credits based on the initial Product purchase each Customer makes. One “cycle” is generated for every three sales credits on the left side that match up with three sales credits on the right side of the Representative’s Binary Organization. Each Weekly Bonus cycle pays up to $100.

Every sixth Weekly Cycle pays $100 TravelDollars in lieu of the $100 Cycle Bonus.

In the event that a Representative earns three (3) or more cycles in a single weekly pay period, up to three (3) Cycle Bonuses paid out that week will be doubled.

Note: Representatives who reach National Marketing Director rank or above will not receive Double Cycles.

Monthly Residual Commissions
Only after a Representative has achieved four personal Customer sales, they will be able to make downline Representative placements on both sides of their Binary Organization. Until that time, a Representative will be ineligible for the binary Monthly Residual Commissions. WorldVentures Representatives at the Senior Representative or higher rank with access to both legs of their Binary Organization may earn Monthly Residual Commissions based on the monthly billing generated by their entire Binary Organization. The Representative accumulates Sales Credits based on the monthly fees each Customer pays. One “cycle” is generated for every three (3) sales credits on the left side that match up with three sales credits on the right side of the Representative’s Binary Organization. Each Monthly Bonus cycle pays up to $10*.

*Once a Senior Representative achieves the rank of Director, the value of each cycle increases to $15.

DreamCar Bonus
When a Representative achieves the Regional Marketing Director level, WorldVentures pays them $1,000 monthly as a DreamCar Bonus. This bonus increases to up to $1,500 monthly when he or she reaches International Marketing Director. The DreamCar Bonus supersedes the Lifestyle Bonus.

DreamHome Bonus
WorldVentures pays Representatives who achieve the International Marketing Director level a DreamHome Bonus of up to $3,000 monthly.

TrainingDollars
TrainingDollars can be redeemed toward the price of many of WorldVentures’ training events.

TravelDollars
TravelDollars may be redeemed only through the Company and are designed to reward Representatives by covering some or all of the costs of their travel experiences.
