QUICKCOACH

Inviting Fundamentals

It's the most important skill to master.

[A] Hot Market

(Your closest friends & family)

Hey, you home?

(If "yes")

Cool, I'm coming over!

(If "no")

When are you going to be home?

(Followed by)

Cool, I'm gonna pop by!

[B] 2-Step Text

Could you _____ this week?
(do coffee, grab lunch, meet up, etc.)

Sure. Tomorrow works.

How about our favorite cafe
at 5:30?

Great. See you then.

(If they have questions) Example:

What's up?

Too much to text. See you
tomorrow at 5:30.

3-Step Setup

Once your appointment starts, share why you're doing WorldVentures by following our 3-Step Setup.

To prepare, identify your WHY.

My primary reason for sharing WV or DT is:

What motivates you? Not just "money" or "things," what's the emotional driver behind your decision to build this business? Why is WorldVentures a priority for you?

Now follow the 3 steps in the video:

[1] Your "Why"

[2] Big Deal, All In

[3] No Pressure

Closing Fundamentals

After a presentation, ask for the sale.

Option 1:

A simple question is, "Are you ready to get started with me (us)?"

Option 2:

"Did this intrigue you at all?"

"Which part?"

"Could you see yourself doing this with me?"

"On a scale of 1-10 where do you see yourself?"

Once you get a number, respond accordingly:

8-10: "My suggestion is let's get you started."

7: "My suggestion is, let's get you started, but I'd like to get you to an 8. Are there any questions I can answer to get you to an 8?"

6: "Hmm... Are there any questions I can answer to get you to a 7?"

1-5: "My experience tells me this is probably not for you."
