INTRODUCTION

WorldVentures is a community that encourages its Independent Representatives to share their passion for travel organically by introducing customers to the DreamTrips™ family of memberships, creating what we call “social commerce.”

Today, more and more travelers are choosing to plan vacations without the help of a travel agent. Instead, they turn to online booking tools to plan the perfect getaway. With a DreamTrips Membership, that process becomes much easier and streamlined as customers can find thousands of trips, complete with high-end accommodations and excursions, in one place. By way of curated group travel, our customers enjoy peak life experiences and are able to immerse themselves in a global community of like-minded individuals.

Our Representatives introduce the DreamTrips Membership to potential customers in a variety of ways, including face-to-face meetings, through social media, at Travel Parties, presentations and a host of other options. With so many ways to share the membership, we encourage Representatives to choose the social commerce method that best suits their lifestyles, personalities and goals.

THE DIFFERENCE BETWEEN REPRESENTATIVES AND CUSTOMERS

To understand the WorldVentures Compensation Plan, it is important to understand the distinction between Representatives and Customers. Representatives sell WorldVentures products to Customers. A Customer is an end consumer of our DreamTrips family of membership products. Representatives are compensated based strictly on the sale of WorldVentures' products to Customers (both their personal sales and the sales made by their Downline Representative Team). No commissions are paid for recruiting new Representatives and there is no compensation derived from a Representative's personal purchase.

BECOMING AN ACTIVE REPRESENTATIVE

We are excited about your interest in joining the WorldVentures family! First things first – in order to start, you're going to need to get familiarized with our products, sales techniques, sales aids and back office support. To that end, we require all Representatives to purchase a Representative Business System (RBS) for a one-time initial fee and subsequent monthly fees. This is an online resource that includes a back-office sales system, personalized marketing website, an online training system and a variety of tools to help you build your business.

Please note: this is the only cost required to become a WorldVentures Representative. We do not require the purchase of any products or additional sales aids. The RBS is provided at cost to you and these fees are not commissionable.

Once your RBS is set up and you agree to the Representative Agreement, you will officially be an Active Rep! Congratulations! To be eligible for commissions and bonuses, you must be an Active Representative with a current Representative Agreement, and be in compliance with all terms of the Representative Agreement. Participation in the binary commissions, minimally, requires that you first achieve three personal Customer sales and some commissions and bonuses require you to achieve a certain “rank” before eligibility (discussed further in the Promotional Levels section starting on Page 10).

LINEAGE ORGANIZATION

The **Lineage Organization** is simple, as it is based on sponsoring Representatives and Customers. If you personally sponsor 7 Representatives or Customers, you will have 7 different lines of Lineage. Each of the lines is independent from the other. Your Lineage Organization only includes Representatives and Customers added through a direct line of sponsorship and is independent of the Binary Organization. This relationship is akin to a parent to child relationship in that they are of your personal sponsorship.

BINARY ORGANIZATION

The **Binary Organization** is built in twos and includes the Representatives in your organization (Customers do not have a place in the Binary Tree). Each Representative has a left side and a right side and may only be related to a single Representative on each side. Here's an example.

In the example, Representative A has one sponsored relationship on his left, Representative B, and one sponsored relationship on his right, Representative C. Representatives B and C have no relationship to each other, but like Representative "A," each have Binary Organizations under them.

If Representative A sponsors another Representative (Representative D), he/ she must place Representative D under B or C. Representative A (the Sponsor) chooses where Representative D goes. Representative D would spill over into B or C's organization. This is called "spillover." A Representative may have Representatives in his/her Binary Tree who are not in his/her Lineage because of spillover. These Representatives are a part of the Binary Organization, but they are not a part of his/her Lineage Organization.

Only once you have made three personal Customer sales will you be able to access the binary and make downline Representative placements on both sides of the Binary Organization. Your 2nd leg will be available for access approximately the day following your 3rd active personal Customer sale.

CUSTOMER SALES

As applicable, Customer Sales Credits are credited in the Binary Organization, starting with the Representative who personally generated the volume and moving upwards.

WorldVentures has created a "Products and Commissions Chart" which outlines current products, pricing, and Sales Credits or Sales Volume associated with the sale of each product. This chart is posted in the back-office and available on

www.worldventures.biz.

Please refer to this chart for details.

COMMISSIONS & BONUSES

DIRECT COMMISSION

You can earn a Direct Commission for the initial sale of certain products. Please see the Products and Commissions Chart in your back office for eligible product(s) and the Direct Commission amount. The Direct Commission is paid when you're the Enroller of a new Customer.

PERSONAL SALES BONUSES

The Personal Sales Bonus rewards you for generating sales volume from personally sponsoring groups of 3 new Customers of the DreamTrips family of membership products within a rolling 28 day period or less. If you, as the Sponsor, generate sales from more than one set of 3 new Customer memberships within the same rolling 28 day period, you can receive another bonus. Bonus payout rates vary by type of membership product sold, so please refer to the Products and Commissions Chart in your back office for the bonus configurations. New Customers count toward a Personal Sales Bonus for 28 days. Every time 3 new Customers purchase a membership, the Representative who sold the memberships as Sponsor will earn a bonus, including blended sets of any of 3 DreamTrips, DreamTrips Gold, or DreamTrips Platinum Customers. There is no limit on the number of Personal Sales Bonuses that a Representative can generate.

Representatives resident in United States may, subject to the policies on international sponsorship, promote the sale of other products listed above in markets where WorldVentures offers those products.

Note: Upgrades to a higher level from other membership levels do not count toward the Personal Sales Bonus.

Example: If a Representative sells memberships to 2 DTG Customers in one week and then 2 in the following week, he/she will earn 1 Personal Sales Bonus of US\$100. In the following week, if he/she makes 3 additional new DTG sales, he/she will earn 1 Personal Sales Bonus of US\$100. The one remaining sale which has not yet been counted toward a Personal Sales Bonus is carried over toward his/her next set of three for the next 28 days from the date of that sale.

TRAININGDOLLARS

Similar to the Personal Sales Bonus, when you personally sell memberships to 3 new Customers as Sponsor within a rolling 28 day period or less you will also be awarded 50 TrainingDollars.

If you personally sell memberships to an additional 3 new Customers within that same rolling 28 day period, you will also be awarded an additional 50 TrainingDollars, up to a maximum of 100 TrainingDollars.

TrainingDollars can only be redeemed toward the price of an upcoming major WorldVentures training event, such as Momentum, United, Boot Camp, A View From the Edge, and Journey, as well as most Regional Training Events. Unused TrainingDollars expire 90 days after the date they are awarded.

YOU SHOULD BE HERE!®

WINGS BONUS

In addition to the Personal Sales Bonus and Travel Dollars opportunities, if you personally sell 4 new membership to Customers as Sponsor in a rolling 28 day period, you are eligible to receive 400* Rovia Bucks as a Wings Bonus.

*Sales of DTU or DreamTrips standard level of membership may result in lower payout.

A maximum of one Wings Bonus can be achieved once per month (a maximum total of 12 per year). Rovia Bucks can be used on a redemption basis to purchase qualifying airfare and hotel on dreamtrips.com. Rovia Bucks expire one year after grant. Terms and conditions apply, so please see dreamtrips.com for full details.

WINGS & WHEELS LIFESTYLE BONUS PROGRAM

The Wings & Wheels Lifestyle Bonus gives you the opportunity to earn a lifestyle-supporting bonus quickly. There are three tiers in the Wings & Wheels Lifestyle Bonus.

→ TIER 1

You can earn US\$200 per month by simply meeting personal Customer and Lineage Sales Volume requirements. If you personally sell DreamTrips membership products as Sponsor to 4 Active Customers of any of the DreamTrips memberships products and also generate at least 1600 in Lineage Sales Volume in one calendar month, you are eligible to earn the Tier 1 Lifestyle Bonus of US\$200 per month as long as the Active Customer and Lineage Sales Volume requirements are met each calendar month. The combined 1600 in Lineage Sales Volume can be any combination of new membership sales and monthly membership fees, as well as sales from the DreamTrips MarketPlace to Customers, produced by you and your Lineage Organization in a calendar month. No more than 400 in volume can be contributed by any one Lineage Organization towards the 1600 Lineage Sales Volume total.

→ TIER 2

You can earn US\$500 per month by simply meeting personal Customer and Lineage Sales Volume requirements. If you personally sell DreamTrips membership products as Sponsor to 5 Active Customers of any of the DreamTrips memberships products and also generate at least 4000 in Lineage Sales Volume in one calendar month, you are eligible to earn the Tier 2 Lifestyle Bonus of US\$500 per month as long as the Active Customer and Lineage Sales Volume requirements are met each calendar month. The combined 4000 in Lineage Sales Volume can be any combination of new membership sales and monthly membership fees, as well as sales from the DreamTrips MarketPlace to Customers, produced by you and your Lineage Organization in a calendar month. No more than 1,667 in volume can be contributed by any one Lineage Organization towards the 4000 Lineage Sales Volume total. If you achieve Tier 2 within your first 8 weekly pay periods, your monthly Tier 2 Lifestyle Bonus will be doubled within that eight (8) week period, up to a maximum of two times. If you earn the Tier 2 bonus you are not able to earn the Tier 1 bonus in the same calendar month.

→ TIER 3

If you personally sell DreamTrips membership products as Sponsor to 6 Active Customers and generate at least 10,000 in Lineage Sales Volume in a calendar month, you can earn US\$1000 per calendar month. The combined 10,000 in Lineage Sales Volume can be any combination of new membership sales and monthly membership fees, as well as sales from the DreamTrips MarketPlace to Customers, produced by you and your Lineage Organization in a calendar month. No more than 1,667 in volume can be contributed by any one Lineage Organization toward the Lineage Sales Volume total for purposes of qualifying for Tier 3. If you achieve Tier 3 within your first 8 weekly pay periods, your monthly Tier 3 Lifestyle Bonus will be doubled within that eight (8) week period, up to a maximum of two times. If you earn the Tier 3 bonus you are not able to earn the Tier 1 or 2 bonus in the same calendar month.

Eligibility

Only Qualified Representatives, 1, 2, and 3 Star Representatives, Senior Representatives, Directors and Marketing Directors are eligible to qualify for the Wings & Wheels Lifestyle Bonus. Once you achieve the rank of Regional Marketing Director and begin receiving the DreamCar Bonus, the Wings & Wheels Lifestyle Bonus will not apply.

Note: Spillover volume does not count toward qualifying volume.

You may only earn a bonus at one of the three respective Tiers per month.

Lineage Sales Volume for the Lifestyle Bonus expires at the end of each calendar month and may not be credited to any subsequent month.

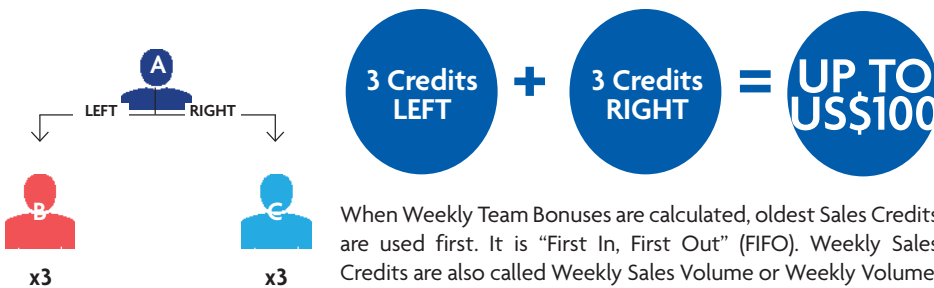

WEEKLY TEAM BONUSES

Once you are Qualified with 4 personal Customer sales, you can earn Weekly Team Bonuses based on the initial product sales you generate as well as product sales generated by your entire Binary Organization. You accumulate Sales Credits based on the initial product purchase each Customer makes. Please refer to the Products and Commissions Chart in your back office for a breakdown of each product and the corresponding Sales Credits. Sales Credits accumulate throughout the pay period as new sales are generated and payment is confirmed. To be eligible for a Weekly Team Bonus, you must be at the Qualified rank or above.

Weekly Team Bonuses are paid when your Binary Tree completes a “cycle”. One cycle is generated for every three Sales Credits on the left side that match up with three Sales Credits on the right side of your Binary Organization. Each Weekly Bonus cycle pays up to US\$100.

Only after you have achieved 3 personal Customer sales, will you be able to make downline Representative placements on both sides of the Binary Organization. Until that time, you will be ineligible for the binary Weekly Team Bonuses.

**3 SALES CREDITS LEFT + 3 SALES CREDITS RIGHT
= 1 CYCLE = UP TO US\$100**

DOUBLE CYCLE BONUSES

If you earn 3 or more cycles in a single weekly pay period, up to the first 3 cycle bonuses paid out that week will be doubled.

Please note, however, at the rank of National Marketing Director and above you will no longer be eligible to receive double cycle bonuses.

TRAVELDOLLARS

You are awarded 100 TravelDollars for every sixth weekly cycle you earn. This is in lieu of the US\$100 Cycle Bonus. TravelDollars may only be redeemed through the Company and are designed to reward our Representatives by covering some or all of the costs of their travel experiences.

Representatives must be at the Qualified rank or above to be eligible to earn Weekly Bonuses, and thus TravelDollars.

TravelDollars are awarded concurrently with Weekly Bonuses as well.

MONTHLY RESIDUAL COMMISSIONS

When you achieve the 3 Star Representative rank or higher, you can also earn Monthly Residual Commissions based on the monthly billing generated by your personal Customers and by those of your entire Binary Organization. You accumulate monthly Sales Credits based on the monthly membership fees each Customer pays.

Much like the Weekly Team Bonuses, one cycle is generated for every three Sales Credits on the left side that match up with three Sales Credits on the right side of your Binary Organization. Each monthly cycle pays up to US\$8 at the 3 Star rank and increases up to US\$10 at the Senior Representative rank and increases further to up to US\$15 when you achieve the rank of Director and above.

Please note that a Customer’s first monthly fees are charged at the time of purchase; however, the initial month’s fees do not generate Monthly Sales Credits in the Binary Tree toward Monthly Residual Bonuses. Instead, they are credited toward Weekly Bonuses.

CUSTOMER-ONLY CREDIT AUTO-BALANCE

For Weekly Team Bonuses and Monthly Residual Commissions, if you've generated Customer-only Sales Credits that do not yet complete a cycle, and once both legs of your Binary Organization are open, the system will automatically balance those Sales Credits and apply any available Sales Credits to the place in your Binary Tree which will enable you to cycle. This only applies to Sales Credits generated from sales to Customers who are not also Representatives, because Reps and any Sales Credits associated with product purchases from the Rep are in a fixed place in your Binary Tree. It's also important to understand that when a Customer-only Sales Credit is "assigned" to your left or right side, no changes are actually made to your Binary Organization. Only the Sales Credit is Auto-Balanced. The Customer still exists outside of the Binary Tree and will not have a Business Center. Note: DreamTrips Gold and Platinum Membership sales generate multiple sales credits based on monthly fees and all sales credits are assigned to a single side when auto-balanced and are not broken up.

For example, you're a Director and have ten Customer-only sales who are actively paying their monthly fee. This month your left team generates 120 monthly fee Sales Credits and your right team generates 110 monthly fee Sales Credits. Seeing that the right team is lower by ten credits, the computer will auto-balance and assign the monthly fee credits of the ten Customer-only sales to your right team. Thus, this would cause you to cycle 40 times for a monthly check of US\$600 (assuming US\$15 cycles).

65% PAYOUT CAP RULE

WorldVentures commits to paying up to 65% of revenue from all Sales Volume generated by our Representatives back to the field. To ensure the long-term viability of WorldVentures and to protect future opportunities for our Representatives, the Company must limit the amount of total commission payout to 65%. This is called the 65% Payout Cap.

Here is an example of how it works: If Weekly Sales Volume for a given week were US\$1,000,000 companywide, then WorldVentures would pay a maximum of US\$650,000 in commissions to our Representatives. If the weekly commissions process generated US\$700,000, or 70%, then all commission checks would be "shaved" an equal percentage to bring the total payout back to 65%.

This would cause a weekly cycle to pay out less than US\$100. The same is true of Monthly Residual Commissions. The 65% Payout Cap is necessary to ensure the long-term health and continued growth of WorldVentures and to provide long-term opportunity for our Representatives.

DREAMCAR BONUS

If you achieve the rank of Regional Marketing Director, you can earn US\$1,000 per month as a DreamCar Bonus. This bonus increases to US\$1,500 per month at the rank of International Marketing Director.

DREAMHOME BONUS

If you achieve the rank of International Marketing Director, you can earn a Dream-Home Bonus of up to US\$3,000 per month. Please see DreamHome Bonus policy in the Appendix for more details.

PROMOTIONAL LEVELS

As you work your way through your WorldVentures business, you can achieve different promotional levels or “ranks”. Different ranks are eligible for different bonuses and different payout maximums (subject to the 65% Payout Cap). At all ranks, Representatives who achieve a rank advancement will be recognized and paid at the new rank beginning in the month following the month in which the rank is first achieved.

Expiration of Sales Credits - Counter Resets

UNQUALIFIED REPRESENTATIVES

If you are not Qualified and you have been Active for more than 8 full weekly pay periods, all Sales Credits not yet used to generate cycles expire 4 full weekly pay periods and sales counters reset.

As long as you remain Qualified, your Weekly Sales Volume is valid for 26 full weekly cycles.

MONTHLY SALES VOLUME EXPIRATION

All Monthly Sales Volume that does not to create a cycle expires at the end of the month and does not carry over to the following monthly pay period.

RECURRING ORDER (ACTIVE) GRACE PERIOD EXPIRATION

After the first eight (8) FULL weekly pay periods, if you are a Qualified Representative or higher and become Inactive or fall out of rank qualification for any reason, you will have a four-week grace period to re-qualify for the last achieved rank. The grace period begins on the day after the last day you were qualified. If you do not re-qualify during the grace period, all Sales Credits will expire and counters will be reset.

You may have multiple billing grace periods in a calendar year. To return to Active status the account must be brought current before the next recurring order billing date. If, for example, your recurring order did not process on July 21, you would go into grace period. If it was corrected prior to August 21, you would become Active and would then continue to bill normally beginning on August 21. If not corrected prior to August 21, you would go on Inactive status and, at that time, new volume would no longer accrue (but previously accrued volume would remain in place). If the account is not brought current for the two missed months prior to the third recurring order date (in this example, September 21) and that payment also fails, all volume counters will be reset.

Monthly Rank Grace Period

If you reach the rank of Senior Representative and above, you are offered 2 Monthly Rank Grace Periods per year. This grace period may only be used twice per year and may not be used in 2 consecutive months. The Monthly Rank Grace Period is independent of the Recurring Order (Active) Grace Period.

As an example, if you are a Senior Representative at the beginning of July but fail to qualify as a Senior Representative when month-end rankings are calculated on August 1, you will still be paid your July monthly commissions as a Senior Representative, as well as all weekly commissions during the month of August as Senior Representative. However, if you do not regain the rank of Senior Representative by the end of August, you would not receive your August monthly commissions in September and you would no longer be eligible for another Monthly Rank Grace Period until you have regained the rank of Senior Representative.

Monthly Rank Grace Periods can only be initiated at the beginning of a calendar month. If you are not in a Monthly Rank Grace Period, and drop below the Sales Volume required for your rank during a weekly pay period, this will not trigger a Monthly Rank Grace Period and you would be compensated based on your actual rank at the time the weekly pay period runs.

MAXIMUM PAYOUT BY RANK

There is a maximum amount that you may earn each week and each month at each rank. You will not be paid more than the maximum amount, regardless of the number of cycles completed for the pay period. If the 65% rule comes into play in a given week, you will be able to use all completed cycles for that week up to the point where the maximum monthly commissions are met.

WEEKLY MAXIMUMS

RANK	MAXIMUM AMOUNT

DIR	US\$2,000
MD	US\$5,000

Example: Mary is a Director. She has 333 Sales Credits on her left and 600 Sales Credits on her right in Monthly Sales Volume on the last day of the month at 11:59:59 PM. When the bonus process runs, 111 cycles are calculated ($333 \div 3 = 111$). Since she is a Director, she is limited to US\$2,000 per month (in this case 133 cycles), so her Monthly Residual Commission this month is up to US\$2,000, subject to the 65% Payout Rule.

Dreamhome Bonus Policy

Representatives who achieve the International Marketing Director level are eligible for a DreamHome Bonus of up to US\$3,000 per month.

You must have achieved the rank of International Marketing Director (IMD) at 11:59:59 PM (Midnight) Central Time on the last day of the monthly pay period to be qualified to earn the DreamHome Bonus for the following month. You are not eligible for DreamHome Bonuses for the month in which you first achieve IMD status but only in the following month. You must also submit either a copy of the home financing agreement or payment receipt by the fifteenth day of the month following the month in which you first achieve IMD.

The DreamHome Bonus pays up to US\$3,000 per month. WorldVentures will issue the bonus in the amount of the actual home payment, up to but not exceeding the monthly maximum

(e.g., Representative with a US\$2,500 home payment would only receive a bonus of US\$2,500). DreamHome Bonuses are disbursed monthly, on the fifteenth day of the month following the end of the monthly pay period.

Payments by WorldVentures will be maintained as long as Representative maintains IMD status.

DreamHome Bonus Requirements:

- Can be a new home or Representative's existing home
- Can be an apartment, condominium, or house
- Can be leased or purchased
- Must fully document that residence belongs to the Representative.

Bonus Business Center

If you generate at least US\$25,000 in income during a single calendar month from a single Business Center, you are eligible to receive a bonus in the form of the one-time creation and placement of a new Business Center directly above the existing Business Center that generated the qualifying volume. You must request a Bonus Business Center within 30 days of earning the income.

The original Business Center will be directly sponsored by the new Business Center, thus creating its first line of Lineage.

The new Business Center must maintain the same ownership as the original Business Center and may not be sold or transferred except as set out in the WorldVentures Policies and Procedures.

The original Business Center is only eligible to generate a Bonus Business Center once. The new Business Center will also be eligible to generate a Bonus Business Center upon generating at least US\$25,000 in income during a single calendar month.

GRANDFATHERING OF WAIVED MONTHLY FEES

Representatives who were Active on or before February 3, 2017 have the opportunity to earn waived monthly RBS fees as long as they remain in Active or grace status. When the Company successfully processes the initial product fee(s) OR monthly product fee(s) for 4 Customers, your monthly RBS fees for the following month will be waived as long as you are Qualified. So, if you generate fees from 4 Customers (or a combination of new Customers and monthly product fee(s) from existing Customers) in July, your August fee(s) would be waived.

A grandfathered Representative's Business Center which goes into inactive status or is cancelled at any point will become ineligible for waived monthly fees if the Business Center is later Reactivated.

However, new Representatives who join on or after February 4, 2017 will not be eligible for waived monthly RBS fees.

GRANDFATHERING OF BINARY PARTICIPATION

Representatives who were Active on or before February 3, 2017 who already have Representatives placed on both sides of their Binary Organization will continue to be able to place Representatives on both sides of their Binary Organization even if the requirement for three personal Customer sales has not been met.
